AT AUMSVILLE.
At a meeting of the McKinley club at Lincoln precinct, held at Aumsville on Monday, the following delegates were elected to attend the county convention of Republican clubs at Salem on Saturday next: Ed. A BIG DRIVE.—Chas. Spaulding of Oregon City, is in charge of a large drive of logs, that is being taken to Oregon City on the river. The drive consists of 3,000,000 feet, 2,500,000 feet of which are cotton-wood logs, while the remaining 500,000 feet are white fir logs. Mr. Spaulding has a force of about 25 men, and they are progressing quite nicely in their undertaking. The logs were obtained at a point on the Santiam, about fifteen miles from its mouth, and are consigned to the Willamette Valley Paper Mills at Oregon City. The crew has been sixteen days at work and expect to have the job completed in about 26 days more. The crew fare somewhat better than common people, since they enjoy four meals a day at the following hours: 4:30 and 10 a. m., and 3 and 7:30 p. m. They do not wish to lose any time during this nice weather and are laboring unusually hard. The crew eats and sleeps in a "hotel" on logs, and are enjoying their outing considerably.

It's in Town.
You'll be surprised.

TELLER IS SATISFIED.

He Will Support Bryan for President.

SILVER FRIENDS PLEASSED

Salem, Ill., Whitewashed in Honor of Bryan.

DENVER, July 15.—Senator Teller has returned to Denver from Manitou where he has been in conference with Senator Dubois, of Idaho, and Congressman Hartman, of Montana, as to the course the silver Republicans shall pursue in the approaching campaign. They have postponed their conference until other silver senators can arrive. They will probably then issue a statement of their position. Senator Teller makes no concealment of his intention to support Mr. Bryan for the presidency. He says that he is satisfied that Mr. Bryan will make the financial question paramount, and that if elected he will devote himself with great singleness of purpose to securing a return to national bimetalism.

Mr. Teller believes Bryan is a strong candidate to begin with, and that he will constantly grow with the people. Mr. Teller will not permit the use of his name at the St. Louis Populist convention or silver convention.

SALEM, Ill., July 15.—It was arranged for Bryan to drive to Centralia, 12 miles southwest of here, where a demonstration will be given. It was Bryan's wish to remain quiet, but the people of Centralia had made arrangements for a display in his honor, and he finally consented to go. A big demonstration will be held here tonight. Governor Altgeld has been advertised as one of the principal speakers.

The citizens of Salem have been in a state of activity all day today in preparation for the grand demonstration. Every tree on every street, and in every yard, is being whitewashed, in response to a proclamation issued by the mayor of the city which was posted on all the dead walls of the town and circulated among the residents. The proclamation bears the likeness of Mr. Bryan at the head.

When Mr. Bryan had finished his dinner he took his children and went down to the house in which he was born and had his photograph taken. He then returned to the home of his aunt, where he remained until train time.

W. J. Bryan, the presidential candidate, has many of his father's characteristics from a religious point of view. Every time he comes to his old home he attends services at the Presbyterian church, where the Rev. Dr. Sprouts has been pastor for a score of years or more. Last Sunday his old pastor announced to the congregation that he had taken it upon himself to send a telegram in the name of the congregation congratulating their "fellow-brother in Christ" upon the honor he had received. He then pronounced a few words of praise and commendation upon the character of Bryan, briefly reviewing his career from the time he left Salem until he was nominated for president.

American Wins.

LONDON, July 15.—At Wimbledon today, Larned, the American, defeated Hough in the all-England tennis championship meet. The score was 6-1, 6-2, 6-3.

In the next contest, Gasselet beat Foote, the score being 6-2, 9-7, 6-4.

THE STRIKE CONTINUES.

Union Men Rioting in Cleveland—Many Laborers Hurt.

CLEVELAND, July 15.—Further disturbance occurred at the Brown hoisting and converting works this morning. Strikers and sympathizers attacked non-union men on their way to work. Non-unionists were beaten with clubs and felled to the ground. C. W. Jackson received fifteen knife cuts on the face and body and had three ribs broken. For a time the police were greatly outnumbered by the rioters and were unable to cope with the mob. They reinforced and succeeded in driving the enraged strikers back, rescuing non-union men.

Big Silver Meeting at Spokane.

SPOKANE, July 15.—Fifteen hundred people attended the mass meeting of free silver Republicans at the Auditorium Saturday night. Five hundred more were turned away because of no room. The crowd cheered enthusiastically at every mention of free silver. Attorney General Jones, George Turner, Cyrus Happy, John R. McBride, P. H. Winston and others addressed the meeting. Five hundred silver Republicans signed the roll to organize a free silver Republican party, the object of which is to unite all the silver forces on a free silver candidate. Interviews with leading Populists developed the fact that the delegates from Washington will go to St. Louis primed to support the nomination of Bryan. No definite plan of action was decided upon.

The Lost Found.

PENDLETON, Or., July 15.—Emma, the 4-year-old daughter of Postmaster Nelson, of Susanville, was found Sunday, sitting on a pile of driftwood by the riverside, apparently unconcerned after being lost seven days. The child recognized the man who found her, said "Hello" and called him by name. She said she had not been frightened; she knew she was lost, but thought she would soon find papa. It is learned that the little one lived on berries and flesh from the carcass of a calf killed by coyotes, quenched her thirst at the river, where she washed her face every morning. She had made a nine-mile circuit in the most dangerous part of the mountains. She suffered none. Her preservation is regarded as a miracle.

Serious Incident.

ATHENS, July 15.—A serious incident occurred at Kalyson Sunday. The Cretans on shore fired at a Turkish vessel which was chasing a Cretan coaster. A Turkish crew of nine men was landed and all were killed by the inhabitants. The Turkish vessel then fired among the women and children on shore and killed several. The consuls of the powers at Canes have protested against the affair as a violation of the armistice.

Fatal Runaway.

MARSHALL, Minn., July 15.—The little son of Mr. Beltsort, when herding cattle, tied two of his little sisters, four and five years old, and a little daughter of Dan Durand with rope, the end of which was attached to the saddle on a pony. The pony ran away, dragging the three little girls half a mile. Two of the girls were killed and the other is badly hurt.

Bryan Not an A. P. A.

OMAHA, Neb., July 15.—Upon Mr. Bryan's personal assurance, it is stated that he is not an A. P. A. He is a Presbyterian, Knight of Pythias and a member of the Modern Woodmen of America.

The Grounded Steamer.

PESCADERO, Cal., July 15.—There is no material change this morning in the position of the Pacific mail steamer Columbia, which grounded on rocks here yesterday morning.

M'KINLEY AND BRYAN

What the Two Standard Bearers are Doing.

LINING UP FOR BYRAN

Highest Honors Paid Both the National Candidates.

SALEM, Ill., July 15.—This city is filled with people from the neighboring towns, to take part in the celebration today, in honor of W. J. Bryan, the silver nominee for president. The ladies generally wear white dresses, with red or blue sashes, and white caps, over the visors of which is printed in silver letters, "William J. Bryan." The celebration was held in front of the court house, where Bryan made his first political speeches, and where his father for twelve years, presided over the circuit court. On the platform with the speakers, invited from all over the state, were the mayor and council of Salem, and other distinguished citizens. Hon. M. F. Kagy, who graduated in the same class with Bryan, at Illinois college, at Jacksonville, presided.

NEBRASKA POPULISTS.

GRAND ISLAND, Neb., July 15.—The Populist state convention to select delegates to the national convention, convened today amid great enthusiasm. Four hundred delegates composed the convention. Only one delegate openly opposed Bryan, he is Dan Burr, of Omaha.

AT M'KINLEY'S HOME.

CANTON, Ohio, July 15.—Despite the blinding rain storm 500 representative women of Cleveland came to Canton this morning, arriving at 1:45 they were headed by a splendid women's brass band forming in columns of two they marched to the McKinley home and greeted Gov. McKinley.

DAKOTA FOR BRYAN.

HERON, S. D., July 15.—The Populist state convention, after a discussion of two hours, voted two to one to endorse Bryan.

STEVENSON FOR BRYAN.

BOWLING GREEN, Ky., July 15.—Vice-President Stevenson and wife arrived here and are the guests of their daughter, Mrs. Hardin. The vice-president said last night: "I will support the nominees of the Chicago convention, but as to the result, I am not well enough posted to give an opinion."

BRYAN GOT WET.

About noon a thunder storm came up. Rain came down in torrents. In ten minutes the bunting, flags and draperies which looked so attractive in the morning were almost ruined. It is so dark it is impossible to see across the streets.

MIDDLE OF THE ROAD.

LITTLE ROCK, Ark., July 15.—The Populists of the state convention met at Glenwood Park this morning. J. W. Pittman, temporary chairman, in a speech advocated the nomination of a Populist ticket, both state and national.

IOWA REPUBLICANS.

DES MOINES, Iowa, July 15.—The Republican state convention today was harmonious throughout. The platform declares warmly in support of the St. Louis platform and says the party in Iowa is in line with the national party. Rollon J. Wilson was selected temporary chairman. He was overcome by heat and unable to preside. Congressman Hepburn filled the place. He made a strong speech in line with the platform.

MARRIED.

FINLEY—BROWN.—By H. A. Johnson, Jr., justice of the peace, at 9 a. m., Tuesday, July 14, 1896, Miss Lulu Brown to Frank Finley.

A SEDUCTION CASE

Is Called Before Recorder Edes This Afternoon.

Monday, July 13, Maude Wagon filed a complaint against Arthur Townsend charging him with seduction. The complaint alleges "that the said Arthur Townsend, on the 10th day of June, 1896, in the county of Marion, did then and there unlawfully, wrongfully and feloniously, and under a pretense of marriage, seduce and have illicit connection with one Maude Wagon, an unmarried female of previous chaste character, contrary to the statutes, etc." The defendant claims that the charge being brought against him is done so for the purpose of blackmailing him. The Wagon family went to Albany last evening and it was thought the girl would fail to appear in court as prosecuting witness but she came down on the 2:30 local this afternoon and immediately made arrangements for prosecuting the case. Four o'clock was set for the trial and at press hour, is in progress.

THE BARBERS' UNION.—The tonorial artists of our city now feel that at least a part of the week is their own. The organization of the barbers union has been completed and the schedule of hours and rates has been adapted by the patrons without any noticeable decrease in business. The union will make arrangements to hold a regular business meeting on the first Monday evening of each month. The barber shops presented an unusually quiet appearance Sunday on which day they formerly were filled to overflowing. This move of morit reform is being encouraged by Salemites and no doubt the movement will prove a success.

A NORTH SALEM BLAZE.—About 3 o'clock Tuesday afternoon occurred a fire in North Salem, that completely destroyed all the sheds and out buildings of the Murphy tile factory. The fire was caused by a spark from the engine and despite the labors of the entire force of men who were at work at the time, none of the buildings were saved. Not only were sheds consumed but also several hundred cords of wood, that had been purchased for the season's work. Mr. Murphy estimates his loss at about \$2000, with no insurance. New sheds are to be erected, and another supply of wood will be purchased. The many friends of Mr. Murphy will sympathize with him in his loss.

MR. RODMAN'S DEATH.—Alek Rodman died in Chicago Monday evening of typhoid fever. Mr. Rodman was a brother to Miss Maude Rodman, who for several months held the position of trimmer in the Stewart millinery parlors in this city. One week ago Miss Rodman received a telegram announcing the illness of her brother and left on the following Monday for Chicago. During her short stay in Salem, Miss Rodman made numerous friends who extend to her their most sincere sympathy in her bereavement.

SILVER BARBECUE.—The friends of free coinage are planning a big two-days silver barbecue at Lyons for Marion and Linn county people July 31st and August 1st. Silver speakers from all the different parties are invited. We trust our esteemed gold contemporary at Salem and at Portland will not have a fit when they learn that the editor of THE JOURNAL is to be among the speakers.

Not a Hummer.

ED. JOURNAL.—The meeting of the Yew Park Republican club, reported in the Statesman, was attended by about fifteen, some Democrats and silverites. There was no enthusiasm for the gold standard cause, as reported.

REPUBLICAN.

NOTICE TO PROPERTY OWNERS.—Acting under instructions from the city council I am required to see that the streets and alleys of the city be cleared of all rubbish and refuse by the abutting property owners. Property owners will take notice and clean up the streets. In the event that the property owners fail to so clean up the streets and alleys I am instructed to perform such work and charge the same to them. A. C. DILEY, City Marshal.

WEATHER FORECAST.—Tonight fair; Thursday fair; decidedly cooler.

INJURED IN A RUNAWAY.—E. E. McKinney, the grain buyer, is home from Albany where he participated, unwillingly however, in a runaway Sunday morning. Mr. McKinney says the report in the Albany Democrat was not correct. The animal, attached to the buggy in which was seated Wm. Vance, of Albany, and Mr. McKinney, of Salem, had crossed the bridge by the Hebrew cemetery, when she spied a tent not far distant. The animal at once dashed towards it with all her might in spite of all the efforts of the driver to check her speed. Just before reaching the tent she became frightened and turned quite suddenly and unexpectedly, overturning the buggy and its occupants. Mr. McKinney received a bad bruise on the left breast and also a bruise on the knee but nothing of a serious nature. Mr. McKinney was unconscious for about one-half hour after the accident but is all right now. Mr. Vance was not hurt to amount to anything.

A Foreclosure Suit.

The complaint in a foreclosure suit instituted by the Northern Counties Investment Trust, limited, a corporation vs. Nancy and Reuben Lee, A. B. and Sadie Smith and Charles L. Weller, has been filed in the county clerk's office. The action is based on a promissory note for \$1000, executed by the first named defendant on October 23, 1890, (while she was Nancy J. McPherson) to plaintiff. To secure the payment of the note Mrs. McPherson gave her mortgage on lot 5 block 1, southwest addition to Salem, and thirty-two feet off of the south side of lot 3 in block 44 in Salem. The defendant Smith has some right or equity in the premises, and Mr. Weller has a mortgage on the property also.
